### **His Lovingkindness**

Why were we created? Was it that we deserved to be created? How can nothing deserve something? There was a time when there was no human race. How therefore could a human race that hadn't existed deserve something? How could a man that wasn't yet created earn anything or pile up any merit? It couldn't be so. God out of his goodness created us. Why were we not destroyed when we sinned? The only answer is that God out of His goodness spared us. The cordial, kind-intentioned God spared us.

Why would God the Eternal Son bleed for us? The answer is, out of His goodness and lovingkindness. "Therefore the children of men put their trust under the shadow of thy wings." Why would God forgive me when I've sinned and then forgive me again and again? Because God out of the goodness acts according to that goodness and does what His loving heart dictates that He do.
